

**Personal Information**

**Name:** Said Said Abdel-Fatha Elshama

**Sex:** Male & **Date of Birth:** 16/2/1968

**Occupation:** Professor of Forensic Medicine & Clinical Toxicology

**Marital status:** Married - Three children.

**Religion:** Moslem & **Nationality:** Egyptian

**Address:** Egypt - Suez - Suez University - College of Medicine.

**Mobile:** 01092519286

**Email:**

1. saidelshama@yahoo.com
2. saidelshama@gmail.com

**Personal Web Sites:**

**Education**

**MBBS** - Medicine and Surgery - College of Medicine - Suez Canal University - Very good with honors - 1993

**Master** of Forensic Medicine & Clinical Toxicology - College of Medicine - Suez Canal University-Very good -1999

**M.S.C. Thesis:** Possible adverse effects due to concurrent use of phenytoin and isoniazid (INH) in experimental animals.

**M.D** of Forensic Medicine & Clinical Toxicology - College of Medicine - Suez Canal University - 2004

**M.D. Thesis:** Effect of some detergents on identification of some blood groups of bloodstains.

**Pediatric and Neonatology Diploma** - College of Medicine - Suez Canal University - Very good - 2005

**Medical Education Diploma** (DHPE) - College of Medicine - Suez Canal University - Excellent with honors – 2014

**Qualifications and Experiences in Medical Education Field:-**

**Medical Education Diploma** (DHPE) - College of Medicine - Suez Canal University - Excellent with honors - 2014

**Medical** student in the medical school of Problem Based Learning and integrated system curriculum - College of Medicine - Suez Canal University- 1987-1993

**Faculty** staff member in the medical school of Problem Based Learning and integrated system curriculum - College of Medicine - Suez Canal University- 1996-2008

**Faculty** staff member in the medical school of Problem Based Learning and integrated system curriculum - College of Medicine -Taif University - Saudi Arabia -2008-2021

**Founder** of Clinical Skills Unit (Skill lab) - College of Medicine-Taif University - Saudi Arabia -2008

**Chairman** of Clinical Skills Unit (Skill lab) - College of Medicine - Taif University - Saudi Arabia -2008

**Founder** of Medical Simulation Center - College of Medicine -Taif University - Saudi Arabia-2013

**Skill Lab Tutor**- College of Medicine - Suez Canal University - Taif University - 2000 - 2021

**Expert** of Medical Simulation (Skill Lab) - College of Medicine -Taif University - 2008 -2021

**Member** of Medical Education Committee - College of Medicine -Taif University - Saudi Arabia -2008

**Member** of Curriculum Development Committee - College of Medicine -Taif University - Saudi Arabia -2011

**Member** of Quality Assurance Unit- Internal Auditor - College of Medicine - Suez Canal University -2007

**Member** of Internal Audit Committee for Quality Assurance - College of Medicine - Suez Canal University -2023

**Founder** Participant in the Foundation of Forensic Medicine and Toxicology Museum - College of Medicine-Suez Canal University -2000

**Chairperson** of Forensic Medicine and Toxicology Museum Committee - College of Medicine-Suez Canal University -2006

**Class Tutor** of Small Group Discussion (Problem Based Learning) - College of Medicine- Suez Canal University - Taif University -1997-2021

**Participant** in committee of designing problem-based learning as an approach in medical education especially in forensic medicine and clinical toxicology - College of Medicine - Suez Canal University -2004

**Coordinator** of Examinations of Forensic and Clinical Toxicology Department - College of Medicine- Suez Canal University-2005

**A Single Author** for (9) International Published Articles in Medical Education Field.

**A Single Author** for (2) International Published Books in Medical Education Field.

**International Reviewer** for Medical Education Articles, please see "Web of Science" via the following URL: <https://www.webofscience.com/wos/author/record/S-6338-2017>

• **Medical Education Training Courses and Workshops**

1. Small Group Discussion (Problem Based Learning) Workshop - College of Medicine - Taif University - Saudi Arabia

2. Sixth National Medical Education Workshop - College of Medicine- Suez Canal University

3. Team-Based Learning (TBL) Workshop - College of Medicine -Taif University - Saudi Arabia

4. Quality Management in Higher Education Institutes Workshop - College of Medicine -Taif University - Saudi Arabia

5. Improving Quality of Assessment Workshop - College of Medicine -Taif University - Saudi Arabia

6. Essential Skills for Clinical Simulation Instructor Course - Clinical Skills Center - College of Medicine - King Abdel Aziz University

7. Instruction and Assessment of Clinical Skills Workshop - College of Medicine -Taif University- Saudi Arabia

8. Learning Styles and Modern Strategies in Teaching Workshop -Taif University- Saudi Arabia

9. Unconscious Bias in Medicine Course - The Stanford University School of Medicine - USA.

10. Medical and Health Sciences Education Workshop - College of Medicine - Taif University "KSA" & George Washington University "USA",

11. Basics in E-Learning - Training Course - Deanship of E-Learning and Information Technology -Taif University - Saudi Arabia

12. Practice in E-Learning - Training Course - Deanship of E-Learning and Information Technology -Taif University - Saudi Arabia

13. Excellence in E-Learning - Training Course - Deanship of E-Learning and Information Technology -Taif University - Saudi Arabia
14. Advanced Uses of the Virtual Classrooms System (ULTRA) in the Educational Process - Training Course - King Abdel Aziz University - Saudi Arabia
15. Virtual Patient Learning - Faculty Training Workshop - Egyptian Knowledge Bank (EKB) in partnership with Knowledge E. Dubai - United Arab Emirates.

**Professional Qualifications: -**

1. Demonstrator of Forensic Medicine & Clinical Toxicology -1996
2. Assistant lecturer of Forensic Medicine & Clinical Toxicology -1999
3. Lecturer of Forensic Medicine & Clinical Toxicology -2004
4. Assistant professor of Forensic Medicine & Clinical Toxicology -2012
5. **Professor** of Forensic Medicine & Clinical Toxicology -2018
6. **Chairman** of Forensic Medicine & Clinical Toxicology Department - College of Medicine Suez University – 2021
7. **Arbitrator** of the Scientific Committee for the Promotion of Professors and Assistant Professors of Forensic Medicine & Clinical Toxicology - 2022-2025
8. **Director** of Balteem Beach Hospital -1995
9. **Director** of Primary Health Care Unit -1996
10. **Director** of Special Pediatric Centre -2000
11. **Director** of General Service and Inhabitancy Center-College of Medicine - Suez Canal University -2007
12. **Chairperson** of Security and Safety Unit - College of Medicine -Taif University - Saudi Arabia -2016
13. **Specialist** of Pediatric and Neonatology
14. **Member** of Egyptian Society of Natural Toxins
15. **Member** of Arabic Society for Forensic Sciences and Forensic Medicine (ASFSSFM)
16. **Member** of Arabic Union of Forensic and Toxicology (AUFT)
17. **Member** of Saudi Society for Academic Guidance
18. **Researcher** in King Abdul-Aziz City for Science and Technology - Saudi Arabia - (researcher ID: 1802)

**Experiences: -**

● **Training Courses of Faculty and Leadership Development: -**

1. New trends in teaching
2. Using technology in teaching
3. Effective Communication Skills Development
4. Quality Assurance Program
5. Problem Solving and Decision Maker

6. Legal Aspects of Universities
7. Strategic Planning
8. University Management
9. Credit Hours System
10. Examination Discipline and Students Assessment
11. Conferences Organization
12. International Publishing of Research
13. The unified program for candidacy for the position of college dean

● **Training Courses, Workshops and Conferences: -**

1. Bioethics Online Training Course - National Committee of Bioethics (NCBE) - King Abdul-Aziz City for Science and Technology - Saudi Arabia
2. Basic Life Support (BLS) Training Course - Saudi Heart Association - Saudi Arabia
3. Training Course of Class Tutor Preparation - College of Medicine - Suez Canal University
4. Clinical epidemiology & Research Methodology Workshop - College of Medicine - Suez Canal University
5. Formulating a Research Proposal Symposium - College of Medicine - Taif University - Saudi Arabia
6. Statistical Analysis in Biomedical Research Workshop - College of Medicine - Taif University - Saudi Arabia
7. Research Ethics Committee Workshop - Ministry of Health and Population - University of Maryland - Baltimore, USA - College of Medicine - Suez Canal University, Egypt.
8. The Ethics, Research and Clinical Applications of Stem Cells Research - College of Medicine - Taif University - Saudi Arabia
9. Training Program of Clinical Toxicology - Clinical Toxicology Center - Ain Shams University
10. Narcotic Plants: Illness and Medication - Seminar - Egyptian Society of Natural Toxins - Suez Canal University
11. Training Course of Neonatal Resuscitation - Neonatology Center - Almaza - Cairo.
12. Pediatric Fundamental Critical Care Support Training Course - Clinical Skills Center - College of Medicine - King Abdel Aziz University
13. Difficulties of Airway Management Workshop - Clinical Skills Center - College of Medicine - King Abdel Aziz University
14. Medical Database Workshop - College of Medicine - Taif University - Saudi Arabia
15. Up to Date Demonstration & Skills Training Workshop - College of Medicine - Taif University - Saudi Arabia
16. MD Consult /First Consult Training Workshop - College of Medicine - Taif University - Saudi Arabia
17. Searching Wiley Online Library - An introduction For Researchers Workshop - Taif University - Saudi Arabia

18. The Elsevier Scopus Training Session - Taif University - Saudi Arabia
19. MD Consult and Clinical Key Training Session - Taif University - Saudi Arabia
20. Ovid SP, RSC and Almanhal Basic Level Course - Taif University - Saudi Arabia
21. The Clinical Key & Mosby's Nursing Training Session - Taif University Saudi Arabia
22. Training on Pro-Quest Content & Functionality Workshop - Taif University - Saudi Arabia
23. Strategic Planning in Higher Education Institutes Workshop - College of Medicine - Taif University - Saudi Arabia
24. Global Trends in Higher Education: Lessons Learned Symposium - College of Pharmacy - Taif University - Saudi Arabia
25. Recent Advances in CNS Acting Drugs Symposium - College of Pharmacy - Taif University - Saudi Arabia
26. Time Management in Health Care Workshop - College of Medicine - Taif University - Saudi Arabia
27. Course Report Preparation Workshop - Taif University - College of Medicine - Saudi Arabia.
28. The seventh Medical Profession Day - College of Medicine - Taif University - Saudi Arabia
29. Participation in The Integrated Program in Preparing Trainers - Training Course - Imam Muhammad Bin Saud Islamic University- Saudi Arabia
30. Participation in 1<sup>st</sup> Egyptian International on E- Medicine Conference - Ministry of Health and Population - Egypt.
31. Participation in Update on Pathology and Laboratory Medicine Conference - College of Medicine - Taif University - Saudi Arabia
32. Speaker in Update on Pathology and Laboratory Medicine Conference - College of Medicine - Taif University - Saudi Arabia
33. Participation in the First Arab Scientific Meeting on Forensic Sciences and Forensic Medicine - Naïf Arab University for Security Sciences – Riyadh - Saudi Arabia
34. Participant in Virtual Forensics Middle East & Africa Conference.
35. Participant in Virtual workshop: Implementing Rapid DNA with confidence.
36. Participant in Third Symposium of the Egyptian Poison Control Centers - College of Medicine - Tanta University- Egypt.
37. Participant in International Virtual Conference of Forensic Medicine & Clinical Toxicology College of Medicine - Mansoura University (The Impact of Covid-19 on Forensic Medicine and Clinical Toxicology Practice) -Egypt.
38. Participant in 2<sup>nd</sup> Annual Conference of College of Medicine - Suez University (DIA Suez 1) - Egypt.
39. Participation in ME Case Studies in Medical Errors Course - The Stanford University School of Medicine - USA.
40. Participant in Prevention of Central-Line Associated Bloodstream Infections Campaign King Abdel Aziz Specialist Hospital - Taif.
41. Participation in Campaign of Youth against the Addiction - College of Medicine - Taif University - Saudi Arabia.

**Editor in the following journals: -**

1. Editor in World Journal of Pharmacology and Toxicology  
URL: <https://www.omicsonline.org/editorialboard-world-journal-of-pharmacology-toxicology.php>

### **Awards & Appreciations**

1. Honorary Shield for Excellence - College of Medicine - Taif University (2010)
2. Scientific Publication Award - Taif University (1433 - 2013)
3. Scientific Publication Award - Taif University (1434 - 2014)
4. Scientific Publication Award - Taif University (1435 - 2015)
5. Appreciation Certificate from College of Medicine - Taif University for Active Participation in Update on Pathology and Laboratory Medicine (2012)
6. Appreciation Certificate from Andalus Private Schools - Taif - Saudi Arabia (2013)
7. Appreciation Letter from Al Hada Military Hospital - Taif - Saudi Arabia (2013)
8. Appreciation Certificate from College of Medicine - Taif University for Active Participation in Campaign of Youth against the Addiction (2015)
9. Appreciation Certificate from College of Dentistry - Taif University for Active Participation in the academic year (2017)

10. Appreciation Certificate from College of Medicine -Taif University for Active Participation in Medical Simulation and Training Center (2021)

**Projects: -**

1. Toxicological and Pathological Evaluation of Prolonged Bromuconazole Fungicide Exposure in Male Rats. (Finished and Published - 2011)
2. Postmortem Diagnosis of Early Myocardial Infarction in Adult Albino Rats (Finished and published-2012)
3. Teratogenic Effect of Carbamazepine Use during Pregnancy in the Mice. (Finished and published - 2013).
4. Post-mortem Distribution of Some Antiepileptic Drugs in Adult Albino Rats. (Finished and published - 2013)
5. Role of Nigella Sativa Seeds on Modulation Testicular Toxicity of Colchicine Repeated Use in Adult Albino Rats. (Finished and published - 2013)
6. Amelioration of indomethacin systemic toxicity by Arabic gum administration in the adult albino rats. (Finished and published - 2014)
7. Toxicological evaluation of chronic administration of Catharantus roseus extract in the adult albino rats. (Finished and published - 2014)
8. Comparison between protective effect of vitamin K and vitamin A on modulation toxicity of hypervitaminosis D3 in adult albino rats. (Finished and published - 2014)
9. Study of curcumin effect on atorvastatin chronic use induced myotoxicity in the rats (histological and biochemical view). (Finished and published - 2015)
10. Toxicological evaluation of repeated use of pioglitazone in the mice. (Finished and published - 2015)
11. Evaluation of immunomodulatory effect of propolis on phenol chronic use induced immunotoxicity in the adult albino rats - (Finished and published - 2015)
12. Postmortem diagnosis of induced fatal hypothermia in adult albino rat - (Finished and published - 2016)
13. Toxic effect of zinc oxide nanoparticles sub-chronic use on lymphatic system in adult albino rats - (Finished and published - 2017)
14. Histopathological study of zinc oxide nanoparticle-induced neurotoxicity in rats- (Finished and published -2017)
15. Postmortem diagnosis of fatal anaphylactic shock in albino rats - (Finished and published-2018)
